

ABOUT PPC

PPC is a leader in family direct investing. We seek to partner with high-quality, North American-based businesses in the manufactured products and services sectors. We are differentiated by our capital base of families and long-term oriented investors, “right duration” investment horizons, and efficient decision making. As our largest investor, our team is well-aligned with all stakeholders.

**Family Legacy of
Building Business**

**Institutional
Quality Team and
Resources**

**Extensive Track
Record of Investing
in Family Businesses**

Given our legacy as business builders, we have a deeply rooted understanding and appreciation for building businesses the “right way” and believe we are an ideal partner for family- and entrepreneur-owned companies. We bring an experienced and cohesive team, significant resources, and a long-standing commitment to our core values of honesty, integrity, and loyalty.

INVESTMENT CRITERIA

We provide speed and certainty to sellers and management teams who value a supportive capital partner with a long-term perspective. We seek to invest in companies that meet the following criteria:

- Preference for family- or entrepreneur-owned businesses, or companies with significant management ownership

SECTORS & SUBSECTORS

- Manufactured Products
 - Food & Beverage
 - Household & Personal Care
 - Packaging
 - Specialty Materials & Components
- Services
 - Business Services
 - Commercial & Facility Services
 - Industrial & Environmental
 - Supply Chain & Distribution

INVESTMENT SIZE

- Enterprise value: \$200M – \$2B+*
- Equity investment: \$100M – \$750M+*

COMPANY CHARACTERISTICS

- Strong and committed management team
- Value-added products and / or services
- Defensible market position
- Favorable growth trends

TRANSACTION TYPES

- Management-led buyouts / acquisitions
- Family and founder liquidity
- Corporate divestitures
- Industry consolidations

GEOGRAPHY

- Headquartered or significant operations in North America

STRUCTURE

- Control or substantial minority investments
