

PRITZKER

PRIVATE CAPITAL

FIRM OVERVIEW

ABOUT PRITZKER PRIVATE CAPITAL

Pritzker Private Capital partners with North American-based companies with enterprise values generally between \$200 million and \$1.5 billion, focusing on quality businesses with leading positions in the manufactured products, services and healthcare sectors. We are differentiated by our flexible capital base, which allows for:

- / Efficient decision-making among like-minded investors
- / Maximum flexibility with transaction structures and investment period
- / Complete alignment with all stakeholders in creating long-term value

We have a deeply rooted understanding and appreciation for building businesses, and we are an ideal partner for family- and entrepreneur-owned companies. We bring significant resources and credibility and maintain a long-standing commitment to our core values of honesty, integrity and loyalty.

INVESTMENT CRITERIA

We provide speed and certainty to sellers and management teams who value long-term decision making and supportive capital. We invest in companies that meet the following criteria:

OWNERSHIP

- / Preference for family- or entrepreneur-owned businesses, or companies with significant management ownership

SECTORS

- / Manufactured Products
- / Services
- / Healthcare

INVESTMENT CRITERIA

- / Enterprise value between \$200M – \$1.5B, with the ability to selectively acquire larger companies
- / Equity investment between \$100 – \$400M, with the ability to deploy up to \$750M per investment

STRUCTURE

- / Control or substantial minority investments

COMPANY CHARACTERISTICS

- / Strong and committed management team
- / Distinctive, value-added products or services
- / Defensible market position
- / Favorable growth trends

TRANSACTION TYPES

- / Management-led buyouts and acquisitions
- / Family and founder liquidity
- / Corporate divestitures
- / Industry consolidations

GEOGRAPHY

- / Companies headquartered or with significant operations in North America
